Employee Leave and Attendance Policy

NimbusSoft Technologies Pvt. Ltd. | Version 3.2 | Effective 1 January 2025 | Owner: People Operations

This policy defines every category of leave available to NimbusSoft employees and the attendance expectations that apply across all offices. It applies to all full-time employees on the company payroll. Contractors and interns follow the provisions in their engagement letters. This document supersedes all earlier leave circulars.

SECTION 1: Purpose and Scope

The purpose of this policy is to provide a fair, transparent and consistent framework for planning, requesting and approving time away from work. It balances employee well-being with business continuity. The policy covers annual leave, sick leave, casual leave, statutory leave, public holidays, leave without pay and daily attendance norms.

SECTION 2: Annual Leave (Privileged Leave)

Every full-time employee is entitled to 24 working days of annual leave per calendar year, credited at the rate of 2 days per completed month of service. Annual leave must be planned with your reporting manager and recorded in the HRMS portal.

A maximum of 8 unused annual leave days may be carried forward into the next calendar year. Any balance above 8 days lapses on 31 December. Annual leave cannot be encashed during employment; unavailed leave is encashed at basic salary only at the time of full and final settlement.

SECTION 3: Sick Leave

Employees are entitled to 12 days of sick leave per calendar year. Sick leave is meant for personal illness, medical procedures and recovery, and cannot be carried forward to the next year.

A medical certificate from a registered medical practitioner is mandatory for any sick leave of 3 or more consecutive working days. The certificate must be uploaded to the HRMS within 5 working days of returning to work. For hospitalisation lasting more than 5 days, intimate your manager within 48 hours and People Operations will assist with insurance formalities.

SECTION 4: Casual Leave

Employees may take up to 6 days of casual leave per calendar year for short personal matters, family events or emergencies. Casual leave cannot be taken for more than 3 consecutive working days; anything longer must be applied for as annual leave or leave without pay.

Casual leave does not accrue, cannot be carried forward and lapses at year end. Casual leave may be combined with a public holiday or weekend but not with annual leave.

SECTION 5: Maternity Leave

Female employees are entitled to 26 weeks of paid maternity leave as provided under the Maternity Benefit Act, 1961, of which up to 8 weeks may be taken before the expected delivery date. For the second and subsequent children, the entitlement is 12 weeks.

On returning from maternity leave, an employee may opt for work-from-home arrangements for up to 2 months with her reporting manager's consent, in line with the Remote Work and Expense Reimbursement Policy.

SECTION 6: Paternity Leave

Male employees are entitled to 10 working days of paid paternity leave, to be availed within 3 months of the birth or legal adoption of a child. Paternity leave may be taken in a single continuous block or split into at most two blocks with manager approval.

SECTION 7: Public Holidays

The company observes 12 paid public holidays per calendar year, published in the annual holiday calendar each January. In addition, every employee may choose 2 floating holidays per year to observe festivals of personal significance. Floating holidays must be applied for at least 3 working days in advance and cannot be carried forward.

SECTION 8: Leave Approval Workflow

All planned leave must be applied for in the HRMS portal at least 7 calendar days in advance, excluding emergencies and sick leave. The reporting manager is expected to approve or decline a request within 3 working days.

If a request remains unactioned for more than 3 working days, the HRMS automatically escalates it to the People Operations team, who may approve it on the manager's behalf if the leave is within entitlement. Declined requests must carry a written reason.

SECTION 9: Leave Without Pay

Leave without pay (LWP) may be granted when no leave balance remains or for extended personal reasons such as higher education, sabbatical or family care. LWP requires approval of the Head of People Operations and is capped at 30 days per calendar year.

During LWP the employment relationship continues but salary, provident fund contributions and benefit accruals are paused pro rata. Continuous LWP beyond 90 days may be treated as separation unless an extension is approved in writing.

SECTION 10: Attendance and Late Arrivals

Standard working hours are 9:30 to 18:30 with a core collaboration window from 10:00 to 16:00. Arriving later than 15 minutes after the start of your team's shift counts as a late mark.

More than 6 late marks in a calendar quarter will result in the deduction of one day of casual leave. Persistent attendance issues are addressed under the disciplinary process, starting with a

documented counselling conversation with your manager.

SECTION 11: Emergency and Uninformed Absence

In genuine emergencies, inform your reporting manager by phone or message before your shift begins, and regularise the absence in the HRMS within 2 working days. Any absence that is neither approved nor regularised for 3 consecutive working days may be treated as voluntary abandonment of employment under company rules.

SECTION 12: Contact and Interpretation

Questions about this policy should be directed to People Operations at hr@nimbussoft.example or raised through the HRMS helpdesk. People Operations owns the interpretation of this policy, and the company may amend it prospectively with notice to all employees.
